

California Emergency Management Agency (CalEMA)
Training Opportunities

MONTHLY TRAINING UPDATE/SUMMARY: August, 2011

Bulletin No. 8-11

This bulletin is part of a comprehensive preparedness training program focused on: unified response, providing easier access to information for Federal, State, Tribal and local preparedness training, strengthening preparedness, enhancing effectiveness, improving response levels, and providing viable solutions throughout California's response community. For any additional questions, correction and/or to add additional training opportunities to this bulletin please contact SFC Janice Barnes at 916-323-7735 or Email: Janice.Barnes@calema.ca.gov

| <p>STAS: Prevention through detection and deterrence is the cornerstone of California's Homeland Security Strategy. Prevention has at its core cooperation sharing between agencies and across the full range of public safety disciplines. Our state prevention strategy (State Threat Assessment System-STAS) has four Regional Threat Assessment Centers (RTACs) collocated with the four FBI Field offices in California, minimizing reporting conflicts, providing statewide coverage and facilitating coordination with our Federal partners. The RTACs maintain a regional threat assessment focus for their area of responsibility and directly connect to each other and the State Terrorism Assessment Center in Sacramento to collaborate on strategic products and situational awareness. Supporting the above efforts is the State Agency Terrorism Awareness Group (SATAG) that is comprised of State of California employees (many of whom are law enforcement officers) that enables suspicious activity reporting to the RTACs concerning matters affecting state resources.</p> | |
